**Clear the Root Cause of Emotional, Mental, Physical Problems**

Your Invisible Energetic Bodies protect you from negative energies. When they become overloaded, the accumulated negative energy spills over directly into the physical body causing sickness and eventually terminal illnesses. This is the root cause of emotional, mental, and physical problems, such as: anxiety, anger, fear, stress, depression, sorrow, heartache, etc. These in-depth specialized CLS clearings and healings are designed to release these stored harmful energies to promote true health and wellness.
